MEMORANDUM FOR: Deputy Director, Physical, Technical and
Area Security, Office of Security

25X1 FROM : [REDACTED]
Latin America Division Security Officer
Directorate of Operations

SUBJECT : Update of "A Study of Harassments and
Provocations"

REFERENCES : A. Memo fr PPG dtd 13 Aug 81, Subject as Above
B. Memo dtd 25 Jun 81, Same Subject
C. A Study of Harassments and Provocations,
dtd Jul 78, Copy 1042

25X1 1. Per ref A request, attached are recent examples of
harassments and provocations which occurred in LA Division
overseas facilities. The vignette regarding the attack on
25X1 [REDACTED] was widely publicized at the
time of the occurrence and is believed to be a threat to
25X1 [REDACTED] in the future. The Security Analysis Group
has been following this sort of harassment since its inception
and may be able to provide a more detailed list of similar
incidents. The attached [REDACTED] 25X1
represent a variety of harassments and provocations which
have been extant since the overthrow of the [REDACTED] 25X1
and continue to the present time.

25X1 2. Inquiries at additional LA Division branches and staffs
revealed no significant examples of harassments or provocations
which are believed to be of interest. During the compilation of
materials within LA Division, it was noted that [REDACTED] 25X1
[REDACTED] apparently maintains an exhaustive repository of
harassments and provocations directed against official American
personnel assigned overseas.
